

# DIY Pond Care

## Blue Pond Dye

Retail \$ 39.99  
Case Price \$ 34.99

- Blue super concentrated dye
- Stays in suspension
- Maintains color and clarity year long  
**\*\*\*We Also Carry Aqua-Shade\*\*\***

## Pure Bacteria Muck Reducer

Retail \$ 39.99  
Case Price \$ 34.99

- Breaks down decaying organic matter and excessive nutrients caused from runoff and overusing copper sulfate
- Most important step to a healthy pond because it consumes the algae's food source, the muck
- Restores your pond to a healthy state

## Algaecide

Retail \$ 39.99  
Case Price \$ 34.99

- Eliminates algae for a beautiful and safe pond year long
- Apply when water is above 60 degrees
- 30 day residual algae control
- Mix with 9 Gallons of water for direct application

## WeedPlex Pro

Retail \$ 60.00

- Kills surface and submerged weeds that are copper resistant
- Effective in controlling hard to kill weeds like Duckweed and Watermeal
- 1 quart makes 100 gallons of spray

## Catt Plex

Retail \$ 39.99

- Eliminates cattails and other shore/emerged aquatic weeds.
- Works with turf, eliminating unwanted grasses and broadleaf weeds
- 100% safe for humans, fish, livestock, pets, birds, swimming, consumption and irrigation.
- Consists of 53.8% glyphosate
- Mix 2oz per gallon to make 1 1/2 % solution.

## Additional Products

### Black Out

Retail \$ 45.00

Black Out is one of our lake and pond colorants. Unlike other brands that may leave your pond looking green, Black Out gives off a flat mirrored effect which resembles a deep lake to help maintain color all season long.

### Clean Clear & Blue

Retail \$ 70.00 - Case \$ 65.00

Pond care made safe & simple. Clean Clear & Blue contains blue pond dye and the Pure Bacteria Muck Reducer! With this combination you will be cleaning your pond naturally every time you add pond dye.

- Reduces muck
- Eliminates odors
- Attacks suspended organic particles
- Clears water column
- Dyes your pond

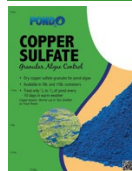

### Plex Mate

Retail \$ 7.50

Plex Mate is a specifically formulated aquatic surfactant, which enhances the effects of aquatic algaecides and herbicides. Plexmate with Citrimax technology aids in the absorption of chemicals into the plants cuticles.

### Copper Sulfate

Controls most species of algae with low concentrations.

- 2.5-4 lbs per acre
- Available in 5 lb & 15 lb Bags

Retail 5 lb \$ 19.00 - 15 lb \$ 50.00
